

Kooky Kreations

Kooky Kreations is an Australian online business specialising in ready-made themed fancy dress packs for children and adults, and sourcing costumes for parties and school concerts.

Our gorgeous party packs come in themes such as island girls, pirates, indians, police, fireman, awards and more. And when it comes to costumes, we can normally source anything from superheroes to movie characters.

Our packs are available online at www.kookykreations.com.au or packs and costumes can be ordered over the phone by calling Amanda on 0400 670 419.
